

Publicerad 2020-11-10 17:35 av Ken Cassel

Boys will be boys

Playing with there toys

Cars, boats, planes

And them selfs of curse

And lots of other things

Music with a good sound

But the most important things it's the girls

The Ladys

The ladies make's there world go around

So boys will always be boys

Nothing can change that...

Ken Cassel
