Renewal

It all turns back to you

It all turns back to you

the sun shines

the moon glows

and it all turns back to you

you are on my mind

tattooed in my soul

is the memory of your face

though the full tale remains untold

It all turns back to you

back to you the sun shines

the moon glows

and it all turns back to you

kingdom comes on a merry-go- round

sometimes you're lost

and sometimes you're found

our story will live and be re-told

by troubadours who seldom travel or cross this road

It all turns back to you

the sun shines

the moon glows

and it all turns back to you

recharge my treasury

and improve my memory

there's a vision beyond my ken

bearing a message that will end indecision

it all turns back to you

the sun shines

the moon glows

and it all turns back to you
