Put to music and beautifully performed by Cattis Bergqvist

On the Mend

It can open doors
and pull down fences
it can heal sores
and bring oxygen
to your senses
it can open up your
eyes without lenses
you can find
it in palaces and
in the humblest
of places
and with your heart
it can put it
through its paces
it can end wars
and win races
topple governments
and fill in the empty
spaces
when you think
that you are
at a dead end
this could set
you on the mend
on the mend
I don't need to say it
because you know
what it is
and what is isn't
