**I dressed myself in dreams**

I dressed myself in dreams  
life isn't always as it seems  
laid myself in the grass  
watching to see what will pass

the sky sauntered down in rainbows  
the moon rose in the shadows  
just like in a mystery in a hazy mystery

I rose up and knew you had me tamed  
I knew I'd never be the same  
And I feel I'm going quite insane  
It's on your heart I will stake a claim

I dressed myself in dreams  
life isn't always as it seems  
laid myself in the grass  
watching to see what will pass

the sky sauntered down in rainbows  
the moon rose in the shadows  
just like in a mystery  
in a lazy mystery

I rose up and knew you had me tamed  
I knew I'd never really be the same  
And I feel I'm going quite insane  
on your heart I'd like to stake a claim

I dressed myself in dreams  
dressed myself in dreams

got to mend these broken jeans  
life isn't always as it seems  
meanwhile I dress myself in dreams  
dress myself in dreams..  
I dress myself in dreams...
