complete title: but not at the expense of the looseness (DEPRESSION after hypomania)

So now publishing companies are calling me from all over the place

To publish A book about Bob Dylan and they want me to weave in Jakob Dylan in it too

I say I am in bad shape

And need to get back to Mister Göran Gustafsson about 'his bob dylan material
'

I hope I quoted that right

I don't want to step on anyone's toes with this

So yeah being a maja rökare (former/-ex that is) and intellectual, I know something about Bob Dylan.

I also know something about Bob Marley. I also know something about Phish. I also know something about Outkast.

So anyways I realized a few years back I wrote the bibliography about Bob Dylan. I wrote in sms
'Bob Dylan anses musikalisk enstöring'. Book DONE. Understand???

Hell maybe I will write one anyways.

But no that is not a goal, I'm getting mixed up.

Coming off the hypomania into depression.

I was just going to get back to Mister Göran Gustafsson about his 'bob dylan material
'

Hope I quoted that right.

Don't want to step on anybody's toes

Apparently... I don't know how to approach this

Sir wants me to take a 'look at his bob dylan material ' …
