*In Memoriam*

## **Father, oh Father - I Remember**

father  
oh father  
that cold october night  
is all I remember  
how you suddenly  
without a sound  
fell onto the ground  
on our terrace  
just outside my window  
to never rise again  
I try to remember to forget  
but the scenery keep on repeating itself in my head  
it's stuck on replay  
in slow-motion  
in ultra rapid speed  
I relive it every day  
over and over again  
father  
oh father  
I heard you breathing  
for the last time  
as your heart stopped beating  
while I held you so tight in my arms  
and since that evening  
my heart hasn't stopped aching  
not even for a little while  
I yearn  
I wish  
for your return  
but it's just a foolish wish  
that won't ever come true  
father  
oh father  
you left me  
with so much pain inside  
that won't ever subside

I could've built a river  
with all the tears I've cried  
but father  
oh father  
I'll always remember  
the days I spent with you  
those were the best days of my life  
and I'll love you  
forever and always
