### **Captured and enraptured**

Captured and enraptured  
by your disarming nature  
you've hi-jacked my heart  
and it feels like you're  
tearing this poor boy apart  
I guess I should have  
known it from the start  
first comes like and then  
comes love or maybe it's the  
other way around  
but I'm feeling it  
from the ground up  
with some degree of mercy  
from the Lord above  
Sometimes I think that you fit me  
like a glove  
ginger beer licorice whips  
horse and sleigh ride trips  
in the white powdered snow  
beneath our feet and hanging on  
the boughs of  
trees  
wearing a warm jacket  
that puts me at ease  
in the back of my mind  
I try to find the moment  
when to kiss you
