Rainy streets calls

Don\'t be so shy
you wont die.
Look at the sun,
be careful so you
wont get blinded.

Turn the light on,
it\'s so dark in here.
I forgot, the light bulb
is shattered and broken.

Rainy streets call
my name.
But I\'m not sure
if I want to answer.

You will see me
leave the rainy streets
behind me.

Good bye.
