Unforgiven\' - En sång jag skrivit.

The Unforgiven (Intimidation)

The Unforgiven (Intimidation)

The mighty wolf is the one Unforgiven
as he walks amongst the shadows as me.
The mighty Grim- Reaper is the one Unforgiven
as he has no inhibitions as me.
Just as me.

Possessed by Captivity
Captured by Possessions
Exhaled by Deception
Decived by Exhaling
Oh Tis life
Tis being alive

The mighty magician's the one Unforgiven
as no- one understands him just like me.
The mighty Lucifer is the one Unforgiven
as he keeps no fears inside just as me.
Just like me.

Possessed by Captivity
Captured by Possessions
Exhaled by Deception
Decived by Exhaling
Oh Tis death
Tis being dead.

When you walk amongst the shadows
with no inhibitions
then no- one understands you
cuz you keep no fears inside
That's when you are
dead and alive
at the same time.
