fights inside

[Verse 1]

Enemy, familiar friend,

My beginning and my end,

Knowing truth, whispering lies,

And it hurts again.

What I fear, and what I try,

The words I say and what I hide,

All the pain, I want to end,

But I want it again.

[Chorus]

And it finds me,

The fight inside,

Is coursing through my veins,

And it's raging,

The fight inside,

Is breaking me again.

[Verse 2]

Still the same, pursuing pain,

Is it worth all I have gained?

We both know, how this will end,

But I do it again.

[Chorus]

And it finds me,

The fight inside,

Is coursing through my veins,

And it's raging,

The fight inside,

Is hurting me again.

And it finds me,

The war within me,

Pulls me under.

And without you,

The fight inside

Is breaking me again.

[Bridge]
It's nothing. (It's everything)
It's nothing. (It's everything)
It's nothing. It's everything!!!

[Chorus]
And it finds me,
The fight inside,
Is coursing through my veins,
And it's raging,
The fight inside,
Is hurting me again.

And it finds me,
The war within me,
Pulls me under.
And without you,
The fight inside
Is breaking me again.

It's breaking me!!!
It's breaking me!!!
I'm falling apart!!!
I'm falling apart!!!
