Musik fast utan musik.

The final verse

I wish you'd heed these final words

Because to me

it's just absurd

that someone like you could have so much faith

Now I do not know if this is true

but it seems to me you always knew

all the ways to make me feel enraged

Because of this, quickly I have aged.

If that is true then that's my curse.

But listen to this final verse.

I am not and never will be

your slave
