» **Never yours**

Some say I'm pretty, some say I smell good.

Some say I look cool, som say I look mad.

Some say I'm cold as ice, some say I'm hotter then hell.

Some say I'm a whore.

Some say I've got the most beautiful personality ever

Some say I've got a heart of gold.

Some say I don't care or just playing a game.

Some say I'm gonna get far in life.

Some say that they are jealous of me.

Some say that I'm special.

I've been a lot of things, but never yours.
