Religiös?

you see the holes so clearly

you just, KEEP! ON! IGNORING! THEM!

pretend to speak sense

when you're words they just crumble

determined to be wrong, joining they system

of excuse and confuse

so the story repeats again and again

the rubbish goes on

and conclusions will never be found.

yet you believe,

still you don't see!

HE made this world with you're own hands.

OOOH! WHAT A MESS HE CREATED!

The perfect one not perfect after all

yet u seem to believe, just bow to betray yourself

CUZ THE SYSTEM WAS ALWAYS FUCKED!

LIVING A LIE!!!

Ignoring the mirror for all you see

but u cant avoid it when its brought to you

IN! YOU'RE FUCKING! FACE!

you will die the same way you were born

childish and ignorant

If you ever wanna live up to be something

STOP WITH YOU'RE BULLSHIT!

AND START WITH YOU'RE THINKING!

but you'll never be

Unless you see!

HE made this world with you're own hands.

OOOH! WHAT A MESS HE CREATED!

The perfect one not perfect after all

yet u seem to believe, just bow to betray yourself

CUZ THE SYSTEM WAS ALWAYS FUCKED!
