*ungefär-aktiga rim...*

### **Too survive**

Keep your head high  
So they can't see you cry  
Keep your eyes closed  
And pray that no one knows

You can

Fake a smile and a laugh  
Too hide your hearts sicken cough  
Fake a hug and a kiss  
And make your final wish

You think

He shouldn't know, right?  
-Not that it kept him to fight  
He shouldn't even care  
So he should not have something to fear

But

Why can't you see him now?  
Are you scared that he's the star of your show?  
Why can't you see thru your tears?  
Can't you break thru the wall of your fears?

Please

Don't you know that he  
Loves you, with the purest love, that can be  
You love him too  
So stop crying and do the best that you can do

Show him

that you

love him
