*kanske inte så mycket poesi men den får hamna här ändå..*

**[Silence]**

You don't think that I see

what I see

I see your pain, your sadness

Your brown eyes tell me everything,

their depth keeps so many secrets

and you don't think I know them

but I do.

I see your fight against the silence

You want to get back what you had before

but you can't get it.

The silence breaks you down

and I can't help you

It's so hard to give you what you need

when you won't take it.

I love you

and I would love to give you

what you want

but if you don't want my help,

it's up to you.

I just tried to show you that I care.

But you don't want to see it.

And that hurts me so bad.
