Broken friendship

Can you just be with me
one last time (?)
Can you forgive me
for my big crime (?)

I made one big mistake
even though I knew it was wrong
I'm begging you not to take
our friendship and sing the last song

I said too much about the past
and reminded you
I don't want this text to be the last
between me and you

Don't you see
that I'm not the one you need (?)
Because all that I see
is that you're the one I need
