Fighting love

We struggle with love

And I don't know the reason why

We fight with our feelings

And none of us want to lose

But I think that I want to now

I want to lose to you

I want you to win

As long as you winning is you loving

Then it doesn't matter if I lose or win

Because our love would surpass that

But we fight it... we deny it

We are pretending not to see

I don't know what to do

Because we are fighting ourselves

And it is like hitting in a brick wall

Again... and again and again
