**in the land of dreams**

you can see a man  
with a fat padded leather glove  
and padded forearm  
practicing falconry  
as sacred geometry  
permeates from the castle  
in the clouds above  
palmistry wins hands down  
coconuts are milked  
hazelnuts are crushed  
into a chocolate sauce  
on the oak table sits  
toast with marmelade  
and there's fire in the lake  
keen artistry

in the land of dreams
