

Publicerad 2012-02-25 20:21 av lilla moln

As the tulip dies infront of her eyes

<I>

Lend me some time

And I will buy back some past

The day where he loved me

The day that's our last

For that I can give you

All the future I hold

Because without him it's pointless

To live when I'm old

</I>
