

Publicerad 2012-03-05 23:59 av desert star

Stonebloded

Pearls to swine.

So unwind.

Free your mind.

monitors of gold.

Our primal scream.

Goes though the dream.

Stonebloded burma cat.

What is your tongue's colour?

Is there a word

I never heard

Keys made of stone

Rose the bone

Whiplash injury

Another word for disaster

I never touch fury

Silence the gun blastah
