**Crying is a riddle to me**

I get surprised every time I feel a tear fall  
from my eyes

I do not expect them to come for a reason,  
they rarely do

I am surprised that I can express my feeling  
so obvious

I thought that I quit that habit  
but I was wrong

I need to be deeply touched  
or feel a deep connection  
I need to be really sad or happy  
or even angry

But somehow it makes me cry  
~~that I do not cry more often~~
