### **Is it just me?**

Vers1: It doesn't make sense

Anymore

The things we do

Are illogical

I have to ask the world

Why do we choose war

As an alternative solution

To our problems

Why do we choose to pull the trigger

Why don't we choose to just

Drop the guns

Down to the ground

Refr: Oh...

Is just me

Or is it right

To kill a man tonight

Oh...

Is just me

Or is it right

To rape a woman tonight

And to slaughter their children

Right in front of their eyes

Oh...

Then please help me

To understand

Why do people do things like this

Vers2: Yeah, why do we choose to

Use our guns

Why do we choose to kill

Why do we choose to create war

Instead of peace

Refr:2x

Vers3: Why do we choose to fight

Why do we choose to claim the power

Of a country

Why do we choose to follow  
The horrified leader  
Why do we choose to take prisoners  
Of other religions  
Of other sexual orientations

Refr: 3x
