## **IM JUST LIKE YOU**

are you bombarded by  
nameless pain and struggle  
are you in conflict  
eating the same thing  
every day labeled as  
freedom or truth

im just like you

but i know, im sure  
theres only one way  
to really solve conflict  
yes SOLVE  
not only win it or lose it  
no one ever win anyway  
its an illusion

im just like you

love and compassion  
thats how ugly it gonna get  
thats the only way we have left  
the only way there ever was

im just like you
