

Publicerad 2012-07-27 21:00 av NoShiningHalo

but just maybe, maybe..

I don't know you that well

but my friends has told me a little 'bout you

we've met sometimes

you certainly don't know me

maybe you dont want to

but i wanna get to know you

it might be nothing

it might be friendship

but just maybe, maybe love could be in the air
