### **Words of a machine of my creation**

for one smart ball acts behind this bounded abstraction and one irritated abstraction thinks behind this small man or a slow ball stops in front of that geeky poet for that smart abstraction is flying before that bounded dolphin in that simultaneous abstraction was swimming above one elastic alien or a adorable shoe is eating in between that flowering man when the simultaneous shoe is talking in front of that moving frustration as the blue dolphin rotates behind a spooky machine or the slow flower shines in front of that psychotic hobbit in one infinite freak is looking after that smart frustration
