*Just spreading my prayers to be more likely to be answered
within a more promissing context than the glocal one I've been
dwelling myself behind, hidden from the rest of the world surrounding me ...*

I've been going down ...

... for what seems to be
forever in time

But once you
decide do come to me
you'll for sure find
me here
to be
waiting for you
while still
keep going there
where noone ever never
been before

trying to find out
how to get myself
the very best directions
to get back
on the right track
up to where I used
to be
all over again
once more

But this time
with you
standing by me
as it allways
was ment to be

and as it
for ever and ever
will soforth
for sure will
continue to be

as soon as
you finally
decide to
actually
come to me

with whom
you are
predesinated
to be

in love
for ever

If you need
any more reason
why from me
My reply will be
that I love you
and that I am
The one and only
whom with you
are predestinated
to be

for all ever lasting eternity ...
