### **Diamond mind**

Diamond mind

A diamond mind

Glittering gemstone.

You're a star within.

A crystal.

Diamond mind

You are raining riches

A waterfall of glitter within

'cause

You consist of

Crystals

rare

material

you are a gem

to me

your silver ears

your opal mouth

your golden heart

yet I know you are no possession

that I can't own you

you are an eternal living creature

a human being

priceless

tagless

You are the one who make me feel so cheap

in comparison

to you

you are far away

you are not easy to get to know

because you take the steps on your path

independently

decisively

you conquer the world with your

body

and mind

the diamond mind  
manoeuvring the world  
with your gestures and manners...  
approaches

enchanted  
by and in your diamond mind  
you've surrendered

I love you  
and your diamond mind.
