*for Richard Alpert*

**Le Mistral (while life eludes me)**

Le Mistral

pursues the breeze

while life eludes me and

the zen mantra continues to confuse me

Be here now is the challenge

that allures me

through out the day

maybe I've found it after all

in a picnic basket

while life eludes me

by the sea

just need to ask it and perchance it could

tell me something

of what will be
