That One Speciall Day

That One Speciall Day

You where sleeping with your head on my cheast,
You where so cute when you laid there,
And you made me feel like i was the best.

I felt so happy, so safe,
When you where laying there right next to me,
and every thing just felt so great.

And i felt a fealing in my heart,
A fealing that i hadn't felt in a weary long time,
All the anger that i have felt my whole life,
It just dissaperd there was no fear or hate,
the only fealing in my heart was love,
and I could feel my heart beat going up in rate.

Now I'm sitting here at home all alone,
I feel so empty when you are gone,
you filled the gap in my heart,
and i felt that you made me calm.

I am thinking back to that one night,
and then I felt it, and i knew,
that my heart belong you...
