

**Keep an eye on me ...**

I know

you always keep an eye on me

every step I take

everything I do

You know

that I like the heavy rain just pouring down

will run out no doubt and be its buddy

We know

that we both prefer that freedom

since the spiritual world seems bigger and much stronger for us

and we

the two individuals

just acting the way we wish

enjoying whatever we create

We keep an eye on each other

whatever happens

it doesn't really matter
