I got a bad desire

I got a bad desire oh oh oh tell me now baby are you like me alone and on fire?

Stolen like the time oh no I wanted you to be mine,

please baby Im begging in silence can we get naked and see if we can get mutch higher oh oh Im on fire....

Just watching you and hearing you talk make me wanna walk right up to you for that closing deal,

oh no oh you can not be with me...

Suffering in silence with a smile but oh that acking sore, telling you to stay with her for the only right way,

wishing praying wanting the diffrent thing, baby cant you see my burning desire in silence ohh!
