The Path

The path ahead is straight and true
this night we'll make it through
because I really do love you
unconditionally

The path behind is full of peril
sailors skate on the head of a barrel
techno wizards leave a crew
sensationally

We'll find the music and get in the groove
two tickets for a flight tonight
and we're off to something new
precariously

We come to an inn and we'll share a brew
find a path that's sure and true
wear clothes of cotton dyed indigo blue
oh so carefully

Love is the cure Love is the clue
look beyond and find a heart that will do
the impossible on a daily basis
exceptionally in all it's simplicity

in time all will be revealed

all will be revealed in time

any questions?
