Celebrate!

How shall we celebrate this beautiful day?

Like children we shall play!

Like bubbles in champagne!

With costumes bright and shiny!

Like stars upon the sky!

Let us fly into the land of fantasies!

Please!

Open your heart!

To all there is - all the greens and golds and reds and blues and -

open your eyes!

It is all out there!

Can't you see it?

Do you remember when you were a child?

Good!

Now, in your mind - go back to that time.

You can ride the swan over the sky!

It will be fun! I promise!

Now - when you get there - remember to bring back - all of those memories and keep them treasured in your heart - for ever.

Because when you sit there - in your sofa. Being 30 or 35 - or even 55 - and ask yourself - what is it all about?

Then remember riding the swan - flying high up in the air! With wondrous eyes and a glowing heart!
Remember the thrill of just being alive! Remember the fun of imagining all sort of wonderful things! All
were in bloom! The colors so bright and the taste of life so joyful!

That is life!

That is life - in bloom - that is the beauty in being alive!
