DON'T STEP INTO MY BLUES

don't step into my blues, babe

'cause there's not room enough for two

don't step into my blues, babe

'cause this is way too much for you

the pressure is too heavy

and it would beat you black and blue

you enter at your own risk

but i do not advice you to

this is risky business, baby

don't bite off more than you can chew

i've suffered more than average idiots

that is my story, sad but true

don't get involved with me, girl

i always ruin everything

there's too much madness here in my world

and too much pain and suffering

i wouldn't jeopardize my future

for a fantastic little fling
