*Poem - Spoken word*

## **Many ships**

I am walking down the stairs  
but if I turn the picture up side down  
I am walking up the stairs

I keep my eyes closed

- not because  
I know the road

but because I trust  
my inner voice

Many clouds  
has crossed  
the sky

and many  
ships has  
crossed the sea

It's you and me  
I tell myself

we walk together

- inseparable

I am walking down the stairs  
but if I turn the picture up side down  
I am walking up the stairs

Many clouds  
has crossed  
the sky

I keep my eyes closed

many  
ships has  
crossed the sea

- I turn the picture up side down
