Flame legend

Ones a time I was a man walking the earth without a goal
Some times I followed my mind, and ran into a wall
Sometimes I followed my heart, and started to bleed

I was it all, as the same time I was nothing
Feels lost in my rightful place, I did all I created to do, with strength, soul and doubt

I reach perfection in my own doubt, pain and strength
In a thunder-storming night, Lightning hit me, dissolved me into flames
I'm not a man that walk the earth any more, I'm a whisper in everybody's head
I'm a legend a living flames
