

Publicerad 2015-02-15 11:13 av Lars Hedlin

Fann bilden på Google!

My sin is a trend

My sin is a trend

I cannot dispend

Been loving a lot

Took what I got

No blushing inside

Just gone for the ride

No I have no regrets

Biting my lips

Take a trip like a living soul

Paranoia is total awareness

In my mind I won't grow old

The day suddenly turned too yesterday
