Joshua Radin - Only You

<https://www.youtube.com/watch?v=DntmcaYPv5A>

"Only You"

Sound a fair and longing tune
keep rhythm in touch
with light steps closing in
enfolding arms into
breathless embrace
these lips of abandon
will bring togetherness
again to the brink
filled with longing
for mingling sensitive hands
further than this
how we reach for each other
tenderness abound
relentlessly
