Spoken word

Language

Beyond words

he sings -

in a language

that I do not

understand

but I do

understand

- the emotional language

-

the magical part of music

that goes beyond

- words

I do understand

and I can relate

to the - joy

of music,

and we can all

share that joy,

no matter what

language we speak

because - music
unites people
-

and that
-

sure is

a beautiful

thing
