

Publicerad 2015-12-28 04:39 av Tommy Vähä-Rainio

Dissowned by life.

I just will become out stronger from this.

Trust me!

I know that I am a fool.

But I will never.

And.

Ever.

Bow.

Infore.

Suckers who are hurting me.

I am a figther all the way.

Trust me!

So!

Go and fuck your self!

For hurting me.

You do not want to see the upcoming war.
