Don't let the hard world
make you lose who you are

Be naive

Angel or Demon
Friend or foe
I don't know

Good or bad
Witch is you
Well I don't know

But (I will continue to be naiv
I will always be a foll) ×2

What am I
What are you
Who am what
I don't know

Who's my friend who's my foe
Who is good who is not

But (I will continue to be naive
I will always be a fool) ×2

Living in a world without trust
Why live in a world without trust
What can we, do to that
I don't know

But one thing I know for sure,Is that
I don't wanna live in a world without trust
I don't want to give in to all the pain
I will not be overtaken
by hate or revenge
I will love, I will liv, I will forgive

and (I will continue to be naive
I will always be a fool) ×2

Why fight without faith
Why keep living in sadness, in fear and in anger, in hate
(I will continue to be naive
I will always be a fool) ×2

I will dream and I will hope
I will fight no mather what
I still believe in us
Even if I stand alone
I will never give up on you

(I will continue to be naive
I will always be a fool) ×2

I'm gona live in a world of kindness
In a world of friends to know
I'm gona live in a world of love
In the world that I know

Ofc I know of pain
Ofc I know it all
But I will never give in
Even if I stand alone

I will continue to be naive
I will always be a fool
I will continue to be naive
I will always be a fool
