

Vampires 2

The handsome Young
man in the universe
has blonde long hair
and a hat and a cravat.
His Eyes look angry and
confused and he stands there,
Beautiful and gothic and
the gothic churchtowers
from which he jumped,
Tower above the land.
He is soon in the dark landscape
with the vampires.
He will become a dark angel
and a Prince of the underworld.
He is in the dark space
with the universe Prince.
With a Crown of nirvana
and a veil of fairest rain.
He knows of a website
with a man dressed in black,
with an occult symbol and
a text about Prince Vlad.
He owned it.
Now he is in the dark landscape
with the fairies and vampires.
He kisses her, egyptian heiress
of Cleopatra. She is his bride
and they will get married in
the Chapel.
