Tomorrow is International Women's Day and this poem is in honour of all the women in the World. This is a free translation of one of my poems from my Poetry book "Såsom säden"(2007); "Sång 5", here on "Poeter.se".

The International Women's Day.

As the tender grass cools
your bare and weary feet
and with whispers guards
the hot Earth

so might you dare
to voice your might
to shade my soul
with words of warmth.
