**I believe in positivity.**

Every day is a new day, a new beginning  
and a new opportunity.

Everything happens for a reason,  
nothing happens by chance.

People are coming in to our lives with lessons.  
Some of them are staying and some are leaving.

However it is, you're always learning  
but also teaching.

---

Think about life as a flower,  
and good thoughts as water.

When you water the flower,  
it's getting stronger and reblooming.

If you water your mind with positive thoughts,  
your life is changing and blooming out to the better.
