Mitt förflutna

The girl with the broken heart

I'm gonna tell you a fairy tale

Once upon a time there was a girl with no name or identity

She was found sitting by a tree so it was written

The lady who found her took her

The poor girl cried days and nights after her mom and dad

The lady beated the little girl so hard that she couldn't cry anymore

She wanted to shield her heart

She wanted to survive

A neighbour noticed her pain and saved her

She took her to an orphanage

The little girl saved food just because she did not know or could have faith that she will be cared from day to day

Her heart was broken
