A waste of space

A waste of space

Is that what I am?
That's how I feel,
and it's hard to face.

A waste of space

Am I a burden to my family?
With all my failures.
Taking up needed space.

A waste of space

Why am I always sad?
When she is always there,
giving me solace.

A waste of space

Why do I yearn so for love?
When I know I can't have it,
or a lovers embrace.

A waste of space

Why do I try to do better?
When I know that I can't,
that it's not my place.

A waste of space
A wasted solace
A wasted embrace
A waste of space
