EMOTIONS

Going thru emotions

And it s all mixed in fusions

Smile to a stranger or laughing out loud

Kiss your lover and be proud, is that allowed?

Crying in public and show our tears

Or holding together, let no one see your fears

A fear to fail a fear to be true

What if the emotions are a part of you?

What if a feeling is something I can also do

Up on stage, let not your spirit be lazy

~~Leave the mind behind, lets go crazy~~
