Vinage: Maybe this doesn't make any sense, but it's a try.

Lookin' for something new

I'm lookin' for something new
Gotta take a look around
maybe I'll hear a sound
and my eyes will catch the view

lookin' for something new
Yes I'm lookin' for something new
time and space confine this place
I'm lookin' for a cosmc sign
just like I'm lookin' for you

Can I see beyond my balcony
Can I wish for subtly
It's got to be my cup of tea
lookin' for something new

Open your door and you will see
it's with bended knee I come to thee
knowin' it will be a better day
Lookin' for something new

Maybe tomorrow I'll be in lavish halls
On my toes waiting for the call
will I find some needed quality
In the meantime I live in simplicity
just outside this grand city

(bridge)

A ring awaits
it will seal my fate
and it's all up to you
Lookin' for something new
I'm lookin' for something new
