

Publicerad 2020-04-18 10:27 av Hon kallar sig poet

2017-02-11

All spilled drinks and coffee stains and sugar lips

My cup of tea

I wanna have you like scones
with fig marmalade and clotted cream
Sex in the morning
Earl grey?
Or space jam?

I want to dip it low
and jump high on your rumours
8 in the morning, with milk and honey
You're my cup of tea

even though you prefer coffee...
