A man with a broken heart

A man with a broken heart
even in a crowd he feels apart
Life's roads have led to indecision
and somewhere along the way
he lost his mission
He was promising and promised
but he fell to the allures
of the of those who covet
what will unfold is untold
what will be it's too soon to see
are there rubies and emeralds down the way
but more important is there a chance to let love stay
The road has a way of making a man wise
with each step it changes lives
